Dear Church friends, supporters and partners

Thank you for your interest, support and partnership with Comfort International in 2022.

We hope that this will continue and progress in 2023 as we together seek to do His will for His kingdom in Central East Africa in 2023.

Please see below some prayer points which you can bring to your church as you pray for our work for Him this year.

Eph 6:18

Comfort International Prayer

January 2023

Dear Friends,

Happy New Year from Comfort International! We are so excited for the year ahead, looking forward to working side by side with you and with all of our amazing partners and supporters as we strive to build God's Kingdom; to "seek justice, defend the oppressed, take up the cause of the fatherless and plead the case of the widow" (Isaiah 1v17). We are grateful for the privilege of serving Him through our work in Rwanda, DR Congo, Burundi, South Sudan and Uganda, and indeed as we continue to raise funds and unite with supporters throughout the world. Thank you for being part of this mission and for your steadfast faithfulness, upholding us in prayer which is the cornerstone of all we do. Below are some things you could be praying around as we step into this New Year with faith, hope, excitement and fortitude.

Thank you,

Comfort International

Pray through the 4 'P's with us!

Partners

We are consistently amazed by the bravery, perseverance, love and commitment of our partners in Africa. They consist of the following partners and their wonderful teams:

- Comfort Rwanda (directed by David Gasana)
- Good News International (directed by Ben Kayumba)
- Solace Ministries (directed by Jean Gakwandi)
- Comfort Congo (directed by Dieudonne Mugongo)
- Africa Hope Initiative (Theophile Rugabira)
- Comfort Burundi (Claude Hakizimana)
- Comfort South Sudan (Zacharie)
- CIMS Burundi (Gerard Rukerandanga)
- CIMS Uganda/LEMA (Wejuli Fred)

Please pray for continued passion, anointing, wisdom and grace. We give thanks to God for providing such wonderful people. Please pray for their safety, health and families. And finally, please pray that they would continue to reach people for the Kingdom of God and see lost souls saved and lives transformed.

Projects

We now have a vast range of projects, supporting people from all walks of life and in many vulnerable areas of society. Please pray that these projects would accomplish the purposes that they were established for and realise real, life-altering change in the communities in which they are operating. Pray they would be instrumental in transformation of lives. Please also pray for the practical aspects of the projects; for good monitoring, evaluation and feedback to allow us to continually improve and adjust them as needed.

Provision

Please pray this year that all of our financial and material needs will be met, and that indeed there would be an overflow to allow us to do more than we could ever ask or imagine (Eph 3:20).

Praise

We are full of thanksgiving and ask that you would join us in praising God for his direction and

provision, especially over the last quarter. As you know, the end of last year was a very challenging time for us, with massive inflation here and in Africa, the decrease in the value of the pound and the cost of living crisis decreasing donations everywhere, there was a very real possibility that we would not be able to meet our commitments. However, praise be to God that in his power and faithfulness He provided, as He always has, and despite all the challenges and increased costs, we were able to meet all the commitments we had made for that quarter. We continually thank God, not only for His provision, but for who He is; his faithful love, Father's heart, compassion, mercy and power.
